

8th November 2020

Dear Member Association,

With regards to information for the BWF/ Badminton Asia Level 1 Coaching Awareness Program to all our MA's, in the month of November 2020. This program is open to all the coaches who have not attended or failed BWF Level 1 Coach Education Course.

This program is timely as well during this current pandemic situation as most of the coaches are able to attend the program as they will not be bogged down by any of the training programs at the moment. Furthermore, this would be helpful for all the coaches who have yet to attend Level 1 because the awareness will help them to be prepared before attending the BWF face to face Level 1 program in the future.

This program will be based on:

1. Day one - (2 to 3 hours)

- Contents of BWF Level 1 Coach Education (13 Modules)
- Criteria to consider in allocating the proper number of days for the course
- Assessment criteria for Level 1

2. Day two - (3 hours)
